3rd Annual Arsenal Excellence Banquet

2009 Arsenal Banquet Picture Information

****Pictures due by April 1st 2009****

For the 3rd annual Arsenal Excellence Banquet we will once again have a DVD slideshow featuring highlights from the entire Arsenal program (developmental – select). Due to the time required to put this video together we would ask that you submit photos prior to the deadline, which is April 1. With the number of athletes in the program it will be difficult to get “individual” photos of every athlete in the DVD and therefore we suggest that at least one team photo be included. The goal is to utilize 5-15 photos per team depending on how many teams we receive photos from. The criterion for photo submission is listed below:

- 1 CD with 5-15 photos per team
- Digital photos in a .jpg or .tiff format (no hard copy) on a CD
- Please format every photo (crop, etc...)
- Include (at least) one team photo
- “Fun” off the field photos are encouraged as well as photos of the coaches
- Still photos only (no video footage)
- On the disc or included in the mailing list the team category, (i.e. U11 girls) team name, coach and/or team manager with a contact phone number
- **Deadline for all photo submission is April 1st.** Any photos received after the deadline will not be included in the video
- Mail all photos to Mike Thiem (address below)
- For any questions please contact Mike Thiem at the numbers or email address below

Again, please do NOT wait until the deadline to submit your photos. Hopefully your team has photos from last summer (regionals, tournaments), fall season/tournaments and/or some indoor photos. **Photos received after the deadline will NOT be included in the banquet video.**
