

### How can you help?

Our goal here at the Omaha Sports Complex is to raise enough money to keep our facility open so that our children can have a safe place to compete in sports and to participate in other activities throughout the year. You can help us by making a gift to the Save Our OSC Fund. Please complete and return the form on the back of this brochure. Every dollar counts, so please consider making a gift. You will receive a thank-you letter, which will also serve as a receipt for a tax deduction.

## Every Dollar Counts!

### Why the effort?

It is for our kids! OSC currently provides a friendly, fun, family-like environment for our kids. At OSC they build strong, healthy bodies and keen minds, develop character and leadership skills, and learn to exercise sportsmanship and to become team players. If you have not visited our facility and family, please drop in and see for yourself why OSC is worth our effort to keep open. The lifelong lessons that our children learn today in this structured, protected, and caring environment will better prepare them for their future as adults, as parents, and as professionals.

### What happens if our goal is not met?

If the goal is not met, the Millard Star Soccer Association, which owns and operates the facility, will be forced to sell the property. The new owner will more than likely convert the building into a warehouse.

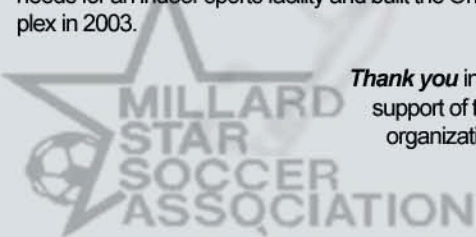

### What will happen to my gift?

As you may be aware, we are renegotiating our loan for the OSC. In the meantime, we have established a trust account for your gift. Your gift will be held in the account in its entirety until we meet our goal. If we do not meet our goal, your gift will be returned to you. It is through your generosity and support that we will keep our facility open for our children today and for many years to come.

### What is the Millard Star Soccer Association?

The Millard Star Soccer Association, a nonprofit organization, was established in 1981. Over the last 25 years, we have grown from less than 100 members to our current membership of more than 2,300 members. For over two decades, we have continued to invest in our community and in the future of our children. MSSA offers a variety of programs for all ages and all skill levels. Our programs are so successful because of our highly qualified coaching staff. We are one of two sports organizations who offer the TOP-Soccer for mentally and physically challenged kids in Nebraska. And MSSA is the only soccer organization in Nebraska to have spent its revenues on acquiring, developing, and maintaining the best facilities for its members. Throughout the 1980s and 1990s, we focused on providing our members with the best outdoor facilities. Then we addressed our members' and our community's needs for an indoor sports facility and built the Omaha Sports Complex in 2003.

*Thank you* in advance for your support of this outstanding organization and facility!
